Chapter 11

Honorable Scott W. Dales

**NOTICE OF INTENTION TO DISMISS AND CLOSE ADVERSARY
PROCEEDING FOR LACK OF PROGRESS**

On January 28, 2020, Plaintiff commenced the above-captioned adversary proceeding. The Court takes judicial notice from its records that there has been no apparent activity with respect to this adversary proceeding. Therefore, dismissal of the same for lack of progress may be appropriate.

Each of the parties shall have twenty-one (21) days from the service of this notice to file with the Court a written request to keep this case open. Any such request shall include an explanation why there has been no apparent activity with respect to this adversary proceeding together with the reasons why the adversary proceeding should not be dismissed. If a timely request is filed, the Court will not dismiss the case; however, the Court itself may schedule a status conference and issue such other orders as it deems necessary to ensure that satisfactory progress will be made towards concluding the adversary proceeding. If, however, a timely request is not filed, then the Court may dismiss the adversary proceeding without a hearing and without any further notice.
